31 December 1953

MEMORANDUM FOR: Deputy Director of Training

SUBJECT: Weekly Activities Reports #51 & #52  
16 - 31 December 1953

I NEW ACTIVITIES

- a. During reporting period, one training project was initiated in Washington, D. C.

b.

25X1

25X1

- c. On 23 December the entire PTD instructor staff received two hours training in the operation, cleaning, and care of the 16 mm. Bell & Howell movie projector which is extensively used in the covert training program. Following this, the staff was conducted on a personal tour of TAB training equipment and facilities in R & S Building. The training should prove most helpful to the instructors and their appreciation is extended to [redacted] who conducted the training.

25X1

- d. On 30 December formal lease negotiations were completed, extending our tenancy at [redacted] for another year beginning 1 February 1954. In exercising our option, before expiration of the present lease on 31 January 1954, the terms are identical as under the original lease except that the rental will be reduced from \$500 to \$485 per month. A clause incorporated
